

Looking to Expand Our “Wall of Honor” *By State Rep. Rosemary M. Brown (R-Monroe-Pike)*

Last year, my staff and I created a “Wall of Honor” in our district office in East Stroudsburg. Although this wall has started small, we want to expand it continuously. I am asking veterans, and their family members, to drop off photos (no larger than 4x6 please) of our servicemen and servicewomen (past and present) in their uniforms. We will print a label to post with the photo, including the veteran’s name, rank, branch and hometown.

We welcome you to drop off photos anytime Monday through Friday from 9 a.m. to 5 p.m. and to call our office at 570-420-8301 with any questions. Veterans: If you don’t have a photo, stop by and we will take one for you or make a copy of one if you don’t have an extra.

We are proud of our dedicated men and women in uniform, and we want to recognize, remember and HONOR them. The Wall of Honor will serve as a reminder for all those who visit our office. Once again, thank you to all our veterans for their (and their families’) service and sacrifice.
